Diane Poole Heller PhD is an internationally recognized speaker, author and expert in the field of attachment theory and trauma resolution. Her signature series on adult attachment, DARE (Dynamic Attachment Re-patterning experience), provides tools for healing from trauma and creating more fulfilling relationships.

As Senior Faculty for SEI (Somatic Experiencing Institute®), Diane studied with Dr. Peter Levine and taught Somatic Experiencing® trauma work internationally for over 25 years.

Dr. Heller is author of *The Power of Attachment: How to Create Deep and Lasting Intimate Relationships*, *Crash Course*, and *Healing Your Attachment Wounds*. Her film, *Surviving Columbine*, supported community healing after the Columbine High School shootings.
